

Quick Details:

Classification:Sulphate

Type:Ferrous Sulphate

CAS No.:13463-43-9

Other Names:Green Vitriol

MF:feso4.h2O

EINECS No.:231-753-5

Place of Origin: China (Mainland)

Grade Standard:Agriculture Grade, Industrial Grade, Feed additives

Purity:91%

Appearance:White Powder

Application:fertilizer/ Industrial use/Feed additives

Brand Name:DITAI

Analysis Results:**Analysis Results:**

Technical Indexes	Required Standards	Actual Test Results
FeSo4.H2O	91% min	91.4%
Fe	30% min	30.3%
Water Insoluble	0.50% max	0.4%
Heavy metal(Pb)	10ppm max	8ppm
Arsenic(As)	10ppm max	9ppm
Cd	10ppm max	8ppm
Size	20-50 mesh	20-60 mesh
Appearance	Grey white powder	Grey white powder

Use:

Ferrous Sulphate

Well used as pesticide and fertilizer to avoid physiological disturbance caused by lack of iron. It can also perform well in water-treatment, and protect the water from eutrophication.

In agriculture used as fertilizer;

Can make feed additive, cement anxiety-provoking;

Used for explosives, matches, China, glass, pigment, ABS resin manufacturing;

In fire prevention materials used as acrylic plastic resin fat of flame retardant;

In environmental protection for sewage treatment.

Company information:

Xiamen Ditai Chemicals Co., Ltd is an ISO9001:2008 certificated organization. We always pay attention to the quality control. For us, quality means satisfied clients. Only by constantly improving our internal and external procedures are we able to remain a reliable supplier of chemicals for our clients worldwide. Every step of the distribution chain is constantly checked and rechecked to guarantee the quality. Through continuous improvement in quality and service, we will provide our customers with products of optimum quality consistent with their requirements.

Besides the quality, we think the competitive price of goods is also important. Our comprehensive distribution network, buying power and efficient inventory management system allow us to offer our products at the best possible prices. Our principle is: Quality Chemicals With Competitive Prices - We Supply!

Up to now many of our chemicals have been done REACH final registration. It is convenient for the clients to use our chemicals in Europe market.

Your satisfaction is our most interested thing. Also your any suggestion will be highly welcome by us. Now enjoy your visiting and hope to hearing from you!
